**Re: United States v. Marcus Chambers, 20 Cr. 572 (NSR)**

Dear Judge Román,

We write to request a final 30-day extension with which to file motions in this case. We have been in communication with the Government and our negotiations towards a resolution of this case continue. Given the charges and Mr. Chambers' status as a sentenced individual, the negotiations are complicated, and we require additional time to attempt to finalize them. The parties agree that finalizing these negotiations is preferable to the filing of motions at this time.

Thank you for your courtesy and consideration.

Respectfully submitted,

James Kousouros, Esq.
